The screenshot displays the 'Ver Calendário' (View Calendar) page within a fleet management application. The page features a calendar grid for the month of August 2019. The columns represent the days of the week: Dom (Sunday), Seg (Monday), Ter (Tuesday), Qua (Wednesday), Qui (Thursday), Sex (Friday), and Sab (Saturday). The rows represent the days of the month. The grid is filled with green blocks, each representing a scheduled appointment. A legend at the top left of the interface identifies the appointment types: 'Agendamento de Manutenção' (green), 'Agendamento de Serviço' (yellow), and 'Agendamento de Inspeção' (red). The interface also includes a search bar and a filter dropdown menu.
