

Disponibilizando arquivos do Drive IFSP

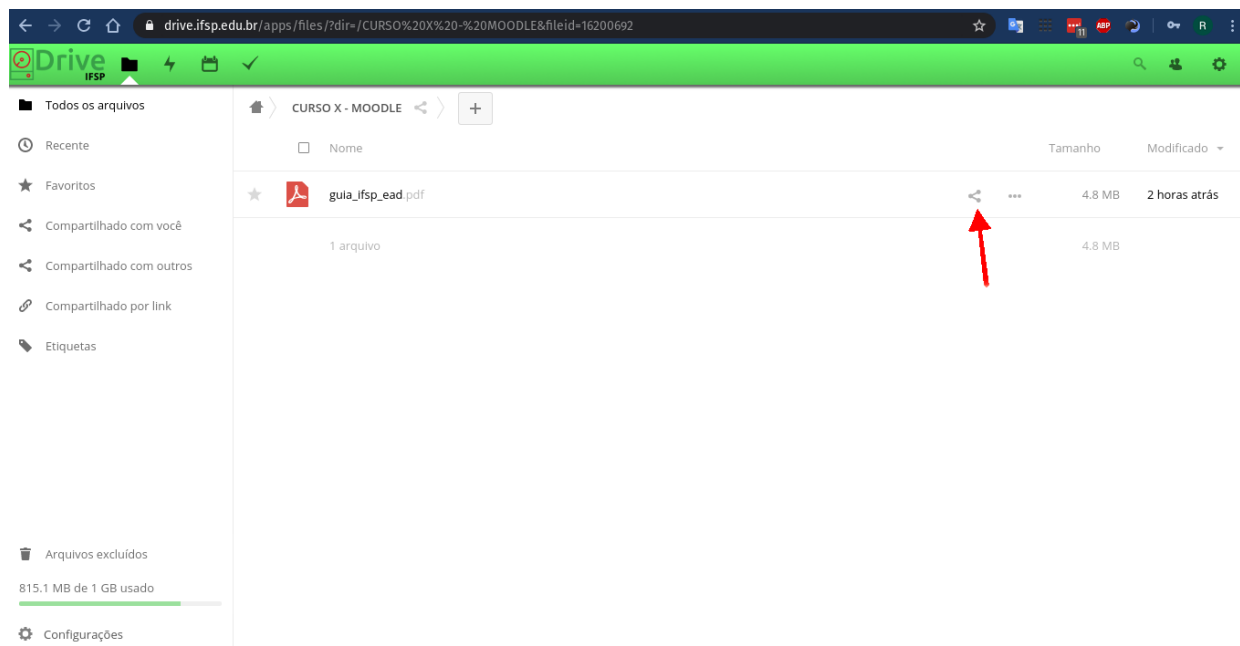

Acesse o <https://drive.ifsp.edu.br> e utilize o prontuário e senha (mesmos do suap ou webmail)

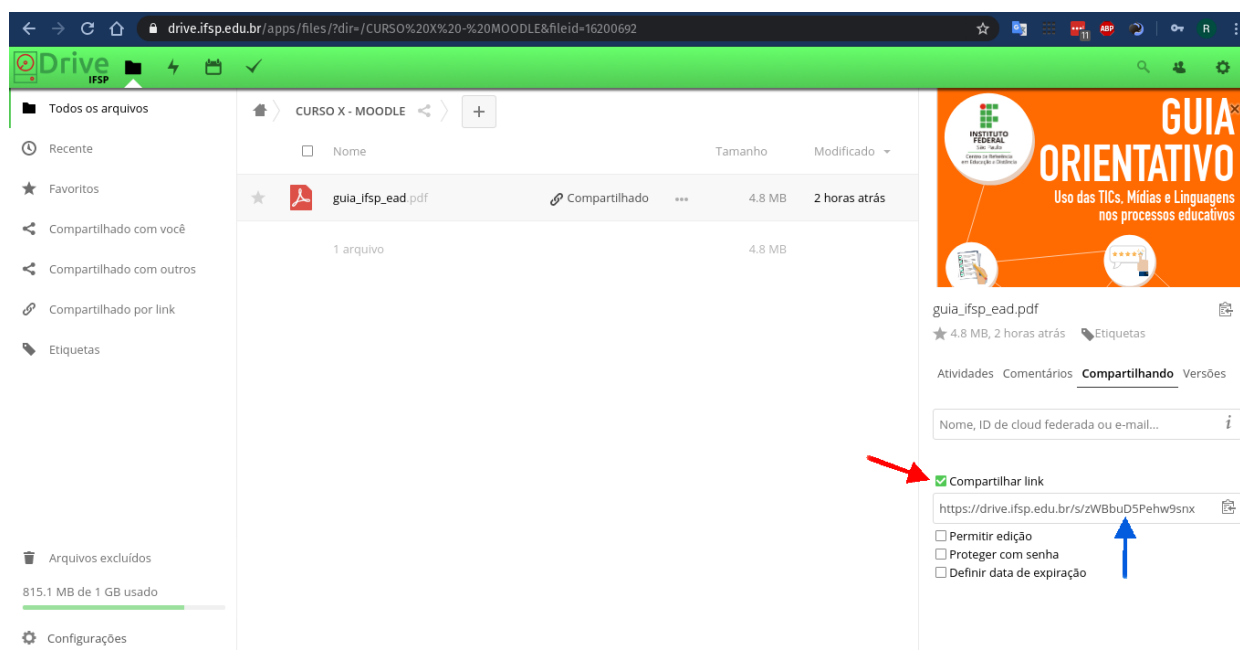

Selecionar a opção Enviar arquivo no menu +

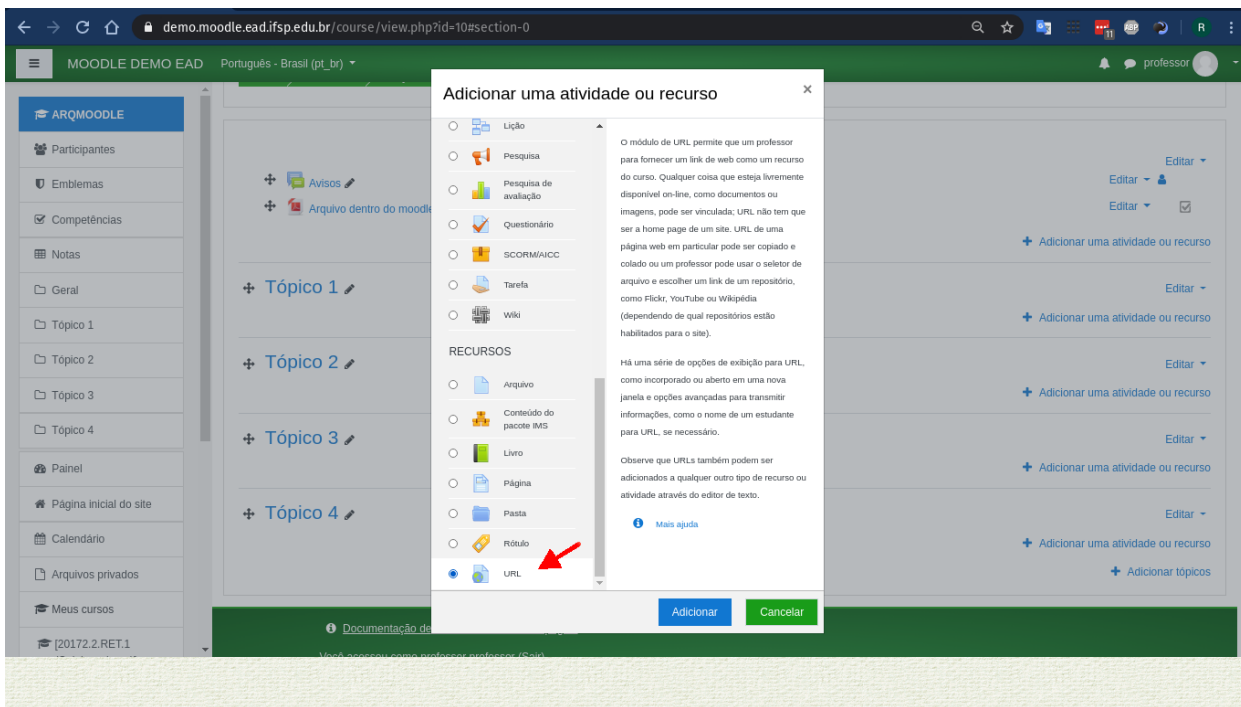

Agora selecione o ícone de compartilhamento

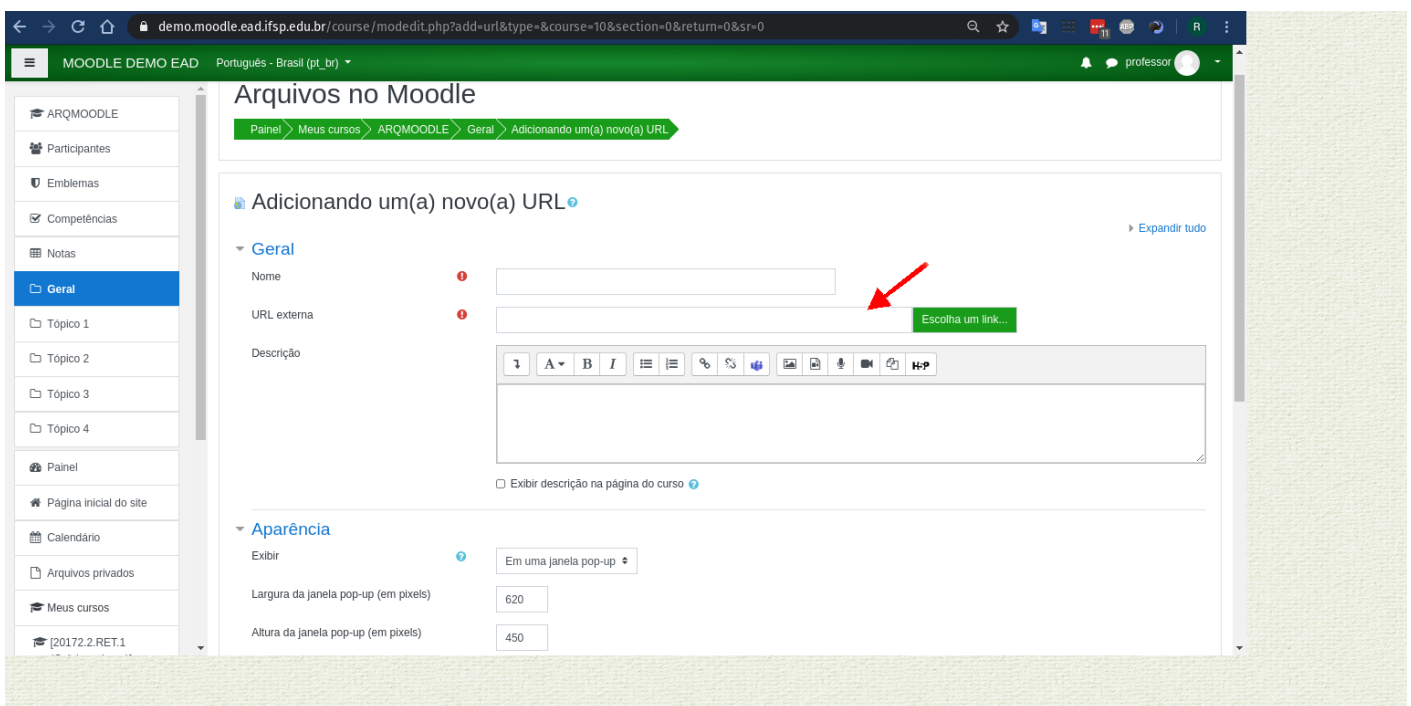

Por fim selecione a opção Compartilhar link para tornar o arquivo acessível publicamente e copie o endereço do link que será apresentado (personalize as demais opções caso necessite).

Adicione um novo recurso URL

Cole o link que foi copiado do compartilhamento no Drive IFSP no campo URL externa e Salve
