Step 4 of 5 - Visibility

Your ORCID iD connects with your ORCID record that can contain links to your research activities, affiliations, awards, other versions of your name, and more. You control this content and who can see it.

Visibility settings

By default, what visibility should be given to new items added to your ORCID Record?

- ☐  **Everyone** (87% of users choose this)
Everyone can see these items
- ☐  **Trusted parties** (5% of users choose this)
Only people and organizations you've given permission
- ☐  **Only me** (8% of users choose this)
Items are private and only visible to you
